Dear Interested Party,

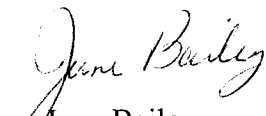

I am writing to invite you to our second collaboration meeting on implementation of projects examined in the Judith Moccasin Landscape Analysis (JMLA). Last month's meeting was well attended and generated discussion regarding potential projects in the planning area. We also talked about how to stay informed and possible ways to get involved.

Our next meeting will be Thursday, March 1<sup>st</sup> from 6:30 – 8:00 p.m. at the Central Montana Community Center (307 W. Watson St., Lewistown). An agenda is included to provide a preview of the meeting. In preparation for this meeting, please think about how you perceive (and would describe) what a healthy forest looks like. We will share our thoughts in an effort to establish common goals and resource management objectives.

If you are unable to attend but would like to be kept informed, or if you have specific questions or comments, please contact me at (406) 538-1945.

We look forward to your continued involvement.

Sincerely,

  
June Bailey  
Field Manager
